8

6 Installing the Windows driver software

NOTE

The installation of the driver software is not necessary in the following cases.

- When you do not play back the music from a PC using USB-DAC of this unit.
- When using a Mac OS.

1 **Download the dedicated driver from the "Download" section of the SA-10 page of the Marantz website (http://www.marantz.com/pages/home.aspx) onto your PC.**

2 **Unzip the downloaded file, and double-click the exe file.**

3 **Install the driver.**

① Select the language to use for the installation.
② Click "OK".

③ The wizard menu is displayed. Follow the instructions on the screen.

④ When the wizard is completed, click "Yes".
NOTE

- The driver software cannot be installed correctly if your PC is connected to the unit by a USB cable.
- If the unit and your computer are connected by a USB cable and the computer is switched on before installation, disconnect the USB and restart the computer.
- Please see the FAQ at www.marantz.com if you experience any issues getting audio to play from your computer through the SA-10. You may also want to check the support pages for your audio player application.

7 Enjoying music using PC or Mac

❏ Connect to PC or Mac

1 **Connect to PC or Mac.**

USB 2.0 cable
(Sold separately)

Type A

Type B

Computer on which the driver software and audio player software are installed
2 **Press ⏻ on this unit.**
- When the unit power is turned on, the computer automatically finds and connects to the unit.

❏ Listen to PC or Mac Audio
