Sicherheitshinweise DE Beachten Sie die Informationen der Anleitung. Lassen Sie im Umgang mit Werkzeug die nötige Vorsicht walten. Stellen Sie Ihre Gerätekombination so auf, dass sie, z.B. für spielende Kinder keine Gefährdung darstellt und auch nicht beschädigt werden kann. Adapter sind nur für zugelassene Tragekonstruktionen zu verwenden. Des weiteren haben die Sicherheitshinweise für unsere TV-Geräte auch hier Gültigkeit.	Safety instructions EN Observe the information in the instructions. Handle tools with the necessary care and attention. Install your combination of equipment in such a way that it presents no danger to playing children for example and also cannot be damaged. Adaptors may only be used for permissible support structures. The safety notes for our TV sets are also applicable here.	Veiligheidsvoorschriften NL Houd rekening met de informatie in de gebruiksaanwijzing. Wees voorzichtig bij de omgang met werktuigen. Plaats de toestelcombinatie zo, dat ze geen gevaar vormt voor bijvoorbeeld spelende kinderen en dat ze ook niet kan worden beschadigd. Adapters mogen enkel worden gebruikt voor toegelaten draagconstructies. Verder zijn de veiligheidsvoorschriften voor onze tv-toestellen ook hier van toepassing.
Instructions de sécurité FR Veuillez observer les informations du mode d'emploi. Soyez prudent lors de l'utilisation d'outils. Positionnez votre combinaison d'appareils de telle sorte qu'elle ne représente p. ex. aucun danger pour des enfants en train de jouer et qu'elle ne puisse pas être renversée. L'adaptateur est à utiliser uniquement pour les structures portantes autorisées. Par ailleurs, les instructions de sécurité relatives à nos téléviseurs sont également valables ici.	Indicazioni di sicurezza IT Fare attenzione alle informazioni del manuale d'uso. Utilizzare gli attrezzi con la dovuta cautela. Installare la combinazione di apparecchi in modo tale che non possa essere danneggiata e che non rappresenti un pericolo, ad esempio per i bambini che giocano. Gli adattatori si possono utilizzare soltanto sulle strutture portanti consentite. Le indicazioni di sicurezza relative ai nostri apparecchi TV valgono anche in questo caso.	Advertencias de seguridad ES Tenga en cuenta las indicaciones del manual. Utilice las herramientas con precaución. Instale la combinación de aparatos de manera que no presente riesgo de lesiones, p. ej., para niños que estén jugando cerca, y de manera que no pueda sufrir daños. Los adaptadores únicamente pueden utilizarse para construcciones portantes autorizadas. En este caso también son aplicables las advertencias de seguridad de nuestros televisores.
